

Contoso Ltd. -- Office 365 Administration FAQ

Document ID: IT-DOC-005

Version: 4.0

Effective Date: January 15, 2026

Owner: M365 Platform Team

Classification: Internal Use Only

1. General

Q: What Office 365 license does Contoso provide?

All full-time employees receive a Microsoft 365 E5 license, which includes:

- Office desktop apps (Word, Excel, PowerPoint, Outlook, OneNote, Access, Publisher)
- Microsoft Teams (meetings, chat, phone)
- OneDrive for Business (1 TB storage)
- SharePoint Online
- Exchange Online (100 GB mailbox)
- Power BI Pro
- Microsoft Defender for Office 365
- Azure Information Protection
- Compliance and eDiscovery tools

Contractors and interns receive a Microsoft 365 F3 license with web-only Office apps, Teams, and limited OneDrive storage (2 GB).

Q: How do I access Office 365?

- Web: Go to <https://portal.office.com> and sign in with your corporate credentials.
- Desktop apps: Pre-installed on your Contoso laptop. Open any Office app and sign in.
- Mobile: Download the Office apps from the App Store or Google Play and sign in with your corporate account.

Q: Can I install Office on my personal device?

Yes, your M365 E5 license allows installation on up to 5 PCs/Macs and 5 mobile devices. However, corporate data on personal devices is subject to Intune Mobile Application Management (MAM) policies, including:

- Copy/paste restrictions from corporate apps to personal apps
 - Mandatory PIN for Office app access
 - Remote wipe of corporate data if you leave the company
-

2. Microsoft Teams

Q: How do I schedule a Teams meeting?

Open Microsoft Teams or Outlook.

Click New Meeting (Teams) or New Teams Meeting (Outlook).

Add attendees, set date/time, and add an agenda.

Click Send.

A Teams meeting link is automatically generated and included in the invite.

Q: How do I create a new Team?

In Teams, click Teams in the left sidebar.

Click Join or create a team at the bottom.

Select Create team.

Choose From scratch or From a template.

Set the privacy level (Private or Public).

Name the team and add members.

Note: Team creation is available to all employees. Teams with more than 50 members require IT review. Teams are automatically archived after 180 days of inactivity.

Q: What is the maximum file size I can share in Teams?

- File upload: 250 GB per file
- Meeting recording: Stored in OneDrive (organizer) or SharePoint (channel meetings). Recordings are automatically deleted after 120 days unless the owner extends retention.

Q: How do I record a Teams meeting?

During a meeting, click More actions (...) > Start recording.

All participants are notified that recording has started.

Click More actions (...) > Stop recording when done.

The recording appears in the meeting chat within 5-10 minutes.

Policy: All meeting recordings must comply with Contoso's data retention policy. Do not record meetings with external participants without their consent.

3. Outlook and Email

Q: What is my mailbox size limit?

- Primary mailbox: 100 GB
- Archive mailbox: Unlimited (auto-expanding archive enabled)
- Deleted Items retention: 30 days
- Recoverable Items: 14 days after permanent deletion

Q: How do I set up an out-of-office reply?

Open Outlook > File > Automatic Replies (Out of Office).

Select Send automatic replies.

Set the date range.

Enter your internal reply message and external reply message.

Click OK.

Tip: Internal replies can include specific details (e.g., delegate name, ticket queue). External replies should be more generic and avoid sharing internal contact details.

Q: How do I create a shared mailbox?

Shared mailboxes must be requested through the IT Portal:

Go to <https://itportal.contoso.com/m365>.

Click Request Shared Mailbox.

Provide: mailbox name, display name, email alias, list of members, and business justification.

Approval from your manager is required.

Provisioning takes 1-2 business days.

Q: What is the email attachment size limit?

- Maximum attachment size: 150 MB
 - Recommended: For files over 25 MB, use OneDrive sharing links instead of attachments.
 - External recipients: Some external mail servers may reject emails with attachments over 25 MB.
-

4. OneDrive for Business

Q: How much OneDrive storage do I have?

- Full-time employees (E5): 1 TB
- Contractors (F3): 2 GB
- If you need additional storage, submit a request at the IT Portal with business justification.

Q: How do I share a file from OneDrive?

Open OneDrive in the browser or File Explorer.

Right-click the file > Share.

Choose the sharing scope:

- People in Contoso -- anyone in the organization with the link
- People with existing access -- only people already shared with
- Specific people -- enter email addresses

Set permissions: Can view or Can edit.

Click Send or Copy link.

Policy: Do not use "Anyone with the link" for internal documents. External sharing is disabled by default. To share with external partners, request External Sharing access at the IT Portal.

Q: What happens to my OneDrive when I leave the company?

- Your manager (or a designated delegate) receives access to your OneDrive for 90 days.
 - After 90 days, the data is permanently deleted.
 - Move any critical team files to SharePoint before departure.
-

5. SharePoint Online

Q: How do I create a SharePoint site?

Go to <https://contoso.sharepoint.com>.

Click Create site.

Choose Team site (connected to a Teams group) or Communication site (for broadcasting information).

Name the site and set privacy.

Add owners and members.

Note: SharePoint sites are subject to the same 180-day inactivity archival policy as Teams.

Q: What is the SharePoint storage limit?

- Per-tenant pool: 25 TB + 10 GB per licensed user
- Per-site: 25 TB (soft limit, can be increased by IT)
- Per-file: 250 GB

6. Administration and Compliance

Q: How do I request a distribution list or security group?

Submit a request at <https://itportal.contoso.com/m365> with:

- Group type (distribution list, mail-enabled security group, or Microsoft 365 group)
- Group name and email alias
- Owner(s) and initial members
- Business justification

Q: What are the data retention policies?

Data Type	Retention Period
Email (primary mailbox)	7 years
Email (deleted items)	30 days
Teams chat messages	7 years
Teams channel messages	7 years
Meeting recordings	120 days (extendable)
OneDrive files (active employee)	Indefinite
OneDrive files (departed employee)	90 days
SharePoint content	7 years

Q: How do I report a phishing email?

In Outlook, select the suspicious email.

Click Report Message > Phishing in the ribbon.

The email is forwarded to the Security Operations team for analysis.

Do not click any links, download attachments, or reply to the email.

If you accidentally clicked a link, immediately contact the IT Helpdesk and change your password.

7. Support

- IT Portal: <https://itportal.contoso.com/m365>
 - Email: helpdesk@contoso.com
 - Phone: +1 (555) 100-2000 (Option 5 for M365 issues)
